Letter Revised on: June 21st, 2017

Dear Vendors,

We are hosting our Seventh Interactive Civil War Relic Show in Brandon, MS, on June 16th and 17th, 2018. This show will be held at City Hall. That means plenty of parking (the city is expanding the parking lot before next year's show), a huge room and it is centrally located in the tri-county area of Hinds, Rankin, and Madison - with a population of half a million people. The unemployment rate is less than 6%. When people are working they have money to spend! We are going to advertise heavily in the area and I am expecting a large turnout. Last year we had about 2,500 and this year we are planning for over 3,000 people from the public to visit the show.

Vendors can enter the room to set up from 1pm-6pm on Friday, June 15th and Saturday, June 16th, from 6am-9am. Doors open to the public Saturday at 9:00am and close to the public at 5:00pm. At 5:30pm we will have supper for the SCV Members and the vendors at the show. The dinner is free, it will be better than barbeque this year and we will close up at 7:00pm. Sunday show hours will be from 9:00am-4:00pm. We are asking that all vendors please stay set up until at least 4pm and at 4pm you may exit through the rear door, not the front. Many sales in previous years were made in the last two hours of the show.

Friday evening and Saturday morning we will help you bring in your displays and Sunday we will help you load up your displays that afternoon.

Each table is 6' long and will cost \$35.00. We hope you will help us make this event even more successful than last year.

If you have any questions or concerns feel free to contact me anytime. May God bless you, our troops around the world, and may God continue to bless the United States of America.

Sincerely,

Tim Cupit

P.S. The vendors from last year's show did really well and we are increasing our advertising this year!

P.S.S. We are limiting the # of tables to 250. This limits the competition for the 3,000 people coming in to shop. We will assign placement of your tables according to when we receive payment. The earlier you pay the better placement you will receive. Remember to let us know if you need electricity! Bring a jacket, our AC works really well!

P.S.S.S. Vendor sales increased 10% over last year.
